Summit Property Management Corporation wins an Outstanding Building of the Year (TOBY) Award for Oak Tech Professional Building at 3100 Cross Creek Parkway in Auburn Hills, Michigan.

Troy, Michigan – November 18, 2013 – Summit Property Management Corporation was recognized by the Building Owners and Managers Association (BOMA) at the 29th Annual TOBY Awards ceremony in the category of outstanding Medical Office Building. The award, recognizing the ‘best of the best’ in commercial buildings for operations and management skill, is based on a thorough property evaluation including tenant amenities and retention, building operations standards, emergency evacuation procedures, life safety and security, energy management, continuing education for building personnel and community involvement. BOMA, a trade group for professionals involved with building ownership, property management, development and leasing, recognized this year’s TOBY recipients at a ceremony held on November 15, 2013 at the Motor City Casino in downtown Detroit. More information on the organization and awards is available through the BOMA Detroit website at www.bomadetroit.org/pages/events-awards/toby.htm.

The Oak Tech Professional Building is a two-story, 42,514 square foot Class ‘A’ multi-tenant medical office facility located at 3100 Cross Creek Parkway in Auburn Hills. The building has a distinctive profile, was recently renovated and maintains a high occupancy level. The Oak Tech Professional Building is owned by Six Pack, LLC and managed by Henry Argasinski, Property Manager.

The Summit Management team is headquartered in Troy, Michigan and has provided complete real estate services in the Metro Detroit region for the past 30 years, comprising over 100 years of combined professional experience, and oversees a diverse portfolio of more than 25 buildings.
